Nextcloud

The password is an app password generated under Settings, Security, Devices and sessions of the Nextcloud account, not the password of the account itself.

Notes

This data model declares no keys yet; the dotted relations are derived from column names.

Data dictionary

Every table and column of this data model is described with its documentation on documentation.invantive.eu, where the poster is also available in other languages.

Notes

The boxes are grouped by topic and coloured by category. A relation is drawn in the topic of the table holding the key; a box in pale grey is defined in another topic.
