AFAS Profit

Alternative Name AFAS Online is also popular by the former name AFAS Profit. In most documentation, the term 'AFAS Profit' can be read as the new name 'AFAS Online'.

Notes

This data model declares no keys yet; the dotted relations are derived from column names.

Data dictionary

Every table and column of this data model is described with its documentation on documentation.invantive.eu, where the poster is also available in other languages.

Notes

The boxes are grouped by topic and coloured by category. A relation is drawn in the topic of the table holding the key; a box in pale grey is defined in another topic.

Topics

Other 1 Tables without relations 1

Legend

Transactional
Setup
Technical
Hard-coded values
Defined in another topic

Declared key
Relation described in words
Candidate derived from column names

Bold: a popular table
+Bulk, +Read: the table also exists as these variants
×n: n relations between the same tables

Generated from the metadata of Invantive UniversalSQL 27.1.33-BETA+6408 on 07-11-2026. Every table links to its page with columns, keys and sample queries.
