SnelStart

The default key will only provide access to inBalans, inZicht, inControle and inHandel. There is no API access with the default key on inStap, inKaart and Accountant subscriptions.

Data dictionary

Every table and column of this data model is described with its documentation on documentation.invantive.eu, where the poster is also available in other languages.

Notes

The boxes are grouped by topic and coloured by category. A relation is drawn in the topic of the table holding the key; a box in pale grey is defined in another topic.
